

Children's Activities at FTN

Come join us on Saturday, February 2 in Pfahler Hall, Room 209, from 10 am-3 pm for some fun and environmentally-friendly activities for children. There will be lots of great crafts to make out of everyday materials, like paper towel tubes, used CDs, puzzle pieces, magazines, and much more. Plus we'll even make our own healthy and delicious snacks (caution: the snack making activity will include peanut products).

You are welcome to stop by even if you did not pre-register!
